

प्रकृति

(THE ECO-CLUB OF MKRGC)

The Eco-club of College is divided into 5 groups named Kshiti (क्षिति), Jal (जल), Pawak (पावक), Gagan (गगन), Sameer (समीर).

Moto- हरित परिसर-स्वच्छ परिसर-प्लास्टिक कचरा मुक्त परिसर

Objectives-

- To Aware the new generation about Environment Protection and Conservation of Nature.
- To Preserve natural resources in and around the campus.
- To Enhance awareness in the community about conservation and protection of the environment.
- To Inculcate innovation in the students regarding conservation of nature.
- To Impart education to the student regarding ecosystems.
- To Create a clean and green campus with the help of students.
- To Aware the students about the Air, Sound, Soil and Water Pollution and sensitize them to reduce it.
- To Inculcate environment friendly habits in the students.

Activities-

- DIY activities are done in the college by members of the groups under 'Best Out of Waste'.
- Celebration of Earth Day, World Environment Day, Van Mahotsav (वन महोत्सव) etc.
- Oath is being taken by the students to protect the environment and conservation of nature on the occasion of Van Mahotsav.
- Plantation drives are done in the premises of college and nearby areas.
- Slogan Competition, Poster Competition etc. are organised to raise awareness about environmental conservation.
- Each group of the Eco-club is allotted an area of the college and they take proper care of that area round the year.
- Volunteers of the Eco-club are rewarded and encouraged for conservation of nature.
